The parents' 2009 tax return or other information you submitted indicates interest income was earned in 2009. The amount of interest appears to exceed the amount that could have been earned by the parent(s) assets reported on your Free Application for Federal Student Aid.

PLEASE ENTER THE FOLLOWING INFORMATION:

1. Total cash assets (bank accounts, certificates of deposit, etc.)     \$ \_\_\_\_\_
2. Value of non-cash assets which produced interest income     \$ \_\_\_\_\_  
(e.g. trusts value, amount of principal owed to your parents on a sales contract, etc.) (Do not include the value of insurance policies.)
3. Debt owed by your parents on assets listed in Number 2, if any     \$ \_\_\_\_\_  
(e.g. amount you still owe on a first mortgage on property they have sold on contract).
4. If the assets which earned interest in 2009 have been reduced in value or are no longer being held, please briefly note the reason for the reduction in asset amount:
