Admissions Statement Questions

On a separate sheet of paper please answer the following questions. Please limit your answers to one or two paragraphs per short-essay question. Your answers to these questions provide the foundation for your admissions interview.

1. Describe your reasons for wanting to participate in this program. Describe one or more significant life experiences that have contributed to your aspirations.
2. If we asked your current supervisors and colleagues to identify your three greatest strengths, what would they tell us? What would they say are the three areas you need to work on and develop to become even more successful?
3. Describe your involvement in the leadership and improvement efforts within your organization, school, and/or district.
4. In what ways do you address the issue of diversity in your personal or professional work as a leader?
5. List the professional organizations to which you currently belong and the workshops or conferences you have attended during the past two years.
6. Describe an effective team of which you have been a member. Tell why it was effective and tell how you participated on this team.
7. Please feel free to give us any other information about yourself that will be important in evaluating your readiness for acceptance into this program.
8. **For students pursuing the Doctor of Education (Ed.D) in Leadership program:** Articulate your philosophy of leadership and critically evaluate how your life experiences have influenced your leadership philosophy. Incorporate your professional, academic, and research experiences.
9. **For students pursuing the Superintendent Certification:** Describe one major issue that school districts face and share how you as a superintendent would begin to address the issue. What caused the issue? What are the problems and barriers that must be overcome to solve it?
10. **For students pursuing the P-12 Educational Leadership concentration (Principal Certification, Program Administrator Certification, and Superintendent Certification):** Describe the school conditions that best facilitate student learning. Identify those strategies you use or would use to ensure maximum learning for all students.
