

CityU Brightspace Home Page

CityU's Brightspace Home Page is your gateway to courses, notifications, and support resources.

The screenshot displays the CityU Brightspace Home Page. At the top left is the CityUniversity logo. A top navigation bar contains icons for Office 365, email, chat, notifications, and a 'Test Learner' button. Below this is a blue navigation menu with links for 'Awards', 'CityU Email', 'My.CityU Portal', 'CityU Catalog', and 'Brightspace Resources'. The main content area features a 'Welcome to CityU!' banner with a city skyline. Below the banner are several sections: 'My Courses' showing 'MBA 512: Self-Cultivation for Management'; 'Brightspace 24/7 Technical Support' with a 'Find Answers Here' button; 'Getting Started with Brightspace' with instructions for administrators and learners; 'Announcements' featuring a 'Welcome to Fall Quarter!' post; 'Brightspace Community' with a search bar and a 'What is the Community?' link; and a 'Calendar' section showing 'Friday, October 22, 2021' and 'Upcoming events'.

Set your profile picture and notification preferences from the top navigation menu. Navigate to your CityU Email and Office365 tools and the My.CityU Portal from the blue navigation menu. Access your courses, Brightspace 24/7 help, CityU announcements, a university calendar, and extra Brightspace Resources from this page.
